## Fundraising Flagstones

Here's your opportunity to pay tribute to a much-loved pet, place your family name on a lasting feature, promote your business, give a birthday gift to be long remembered, or whatever you like! These flagstone pavers will create a beautiful Entry Plaza for our Dog Park. Once completed, the Entry Plaza will be paved with the special messages of our supporters. You and other visitors to the park will pass by them during each visit.

Each flagstone will be custom engraved with your own special message or sentiment. The number of words and size of the message will depend upon the size flagstone you choose. Corporate logos and other special artwork will be evaluated on a case-by-case basis to determine whether it can be reproduced on stone.

The earliest donors will get their flagstones placed in the prime location in the center of the Entry Plaza. Flagstones will be placed outward from there as donations come in.

See Spot Run is a 501 c-3 charitable organization. Donations are tax deductible. Money raised through the Entry Plaza Flagstone project will be used to fund additional features and improvements for our Dog Park.

## Order Form See Spot Run, Inc. is a 501 c-3 charitable organization.

**Please note:** See Spot Run, Inc. reserves the right to reject any message deemed unacceptable for any reason. Each message will be evaluated individually to determine whether it will fit within the engraving space. A proof will be provided for your approval prior to engraving. Corporate logos and other images must be supplied by the donor and will be evaluated on a case-by-case basis. Placement of the pavers will begin in the center of the Entry Plaza and move outward.
